Important Notes

- Equipment left more than 30 days after the intended pickup date will be charged \$30 plus \$1/day storage fee for each day over 30 days (cash).
- If you leave a system with a main, we will return your system with the main packed and charge you for the main pack job in addition to the work requested.
- Rigs with Main-Assisted-Reserve-Deployment (MARD, such as Skyhook) will cost \$10 extra for repacks.
- Equipment left more than 1 year after the intended pickup date will be assumed to have been abandoned and become the property of Skydive Spaceland.
- If no pickup date is specified, the pickup date will be determined by the date the service is completed.
- Prices are subject to change.
- Automatic activation device (AAD) service requirements are mandatory and will be done if the service will be due within the next 180 days.
- We reserve the right to refuse to accept equipment with incompatible components or equipment older than 10 years.
- Airworthiness Directives, Service Bulletins, and minor repairs will be performed as deemed necessary for the airworthiness of the equipment. If additional charges exceed \$30, we will contact you before performing the work.
- Applicable sales taxes will be added to parts. Listed prices do not include sales tax.

I AGREE TO THESE TERMS AND REQUEST THE CHECKED SERVICES.
